## Fall 2018

**Annual Luau Fun**

It is hard to believe that Autumn is here. Summer was gone in a blink of an eye yet filled with so many wonderful experiences that it is hard to choose which ones to mention. We enjoyed being outdoors and visited some amazing places. We saw gigantic dinosaurs at the Dino Park, climbed the Sandy Hook Lighthouse for a beautiful view and saw the 9/11 Memorial in NYC. Riding the Staten Island Ferry was amazing. A Manasquan Reservoir Boat Tour, Monmouth Park Stables Tour to feed the horses and eating Dip-n-Dots at a Blue Claws game were all exciting, even in the rain.

Our volunteer activities made us feel really good about ourselves. Cleaning Monmouth Park Systems trails of debris and stocking shelves at the Mangia Food pantry allowed us to do something for others while connecting with our community and helping to make the world a better place. We were pleased to receive an official signed and sealed certificate from the food pantry for all of our efforts.

Our Community Garden continues to be a huge success. This year we had an abundance of tomatoes, cucumbers, peppers and a variety of lettuces and herbs. It was fun to find recipes online that used our bounty. We enjoyed the Vegetable Primavera tremendously. Yes, we ate all of our vegetables.

Our Summer was extremely busy and our Fall promises to be even busier. We continue to practice our ADL skills in fun and exciting places while socializing with our peers. Hope to bump into you on one of our adventures.

**Walking with the Dinos**

**Garden Plot Prep**

Visit us on Facebook and see us practice our life skills both in the classroom and out in our community.
